

RCW 71.34.710 Adolescent who presents likelihood of serious harm or is gravely disabled—Transport to inpatient facility—Petition for initial detention—Notice—Facility to evaluate and admit or release adolescent. (Effective until July 1, 2026.)

(1)(a) When a designated crisis responder receives information that an adolescent as a result of a behavioral health disorder presents a likelihood of serious harm or is gravely disabled, has investigated the specific facts alleged and of the credibility of the person or persons providing the information, and has determined that voluntary admission for inpatient treatment is not possible, the designated crisis responder may take the adolescent, or cause the adolescent to be taken, into custody and transported to an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program providing inpatient treatment.

A secure withdrawal management and stabilization facility or approved substance use disorder treatment program must be available and have adequate space for the adolescent.

(b) If a designated crisis responder decides not to detain an adolescent for evaluation and treatment under RCW 71.34.700(2), or 48 hours have elapsed since a designated crisis responder received a request for investigation and the designated crisis responder has not taken action to have the adolescent detained, an immediate family member or guardian or conservator of the adolescent, or a tribe if the person is a member of such tribe, may petition the superior court for the adolescent's detention using the procedures under RCW 71.05.201 and 71.05.203; however, when the court enters an order of initial detention, except as otherwise expressly stated in this chapter, all procedures must be followed as if the order has been entered under (a) of this subsection.

(c) The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview.

(2)(a) Within 12 hours of the adolescent's arrival at the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, the designated crisis responder shall serve or cause to be served on the adolescent a copy of the petition for initial detention, notice of initial detention, and statement of rights. The designated crisis responder shall file with the court on the next judicial day following the initial detention the original petition for initial detention, notice of initial detention, and statement of rights along with an affidavit of service. The designated crisis responder shall commence service of the petition for initial detention and notice of the initial detention on the adolescent's parent and the adolescent's attorney as soon as possible following the initial detention.

(b) The facility or program may serve the adolescent, notify the adolescent's parents and the adolescent's attorney, and file with the court on the next judicial day following the initial detention the original petition for initial detention, notice of initial detention, and statement of rights along with an affidavit of service when filing with the court at the request of the designated crisis responder.

(3)(a) At the time of initial detention, the designated crisis responder shall advise the adolescent both orally and in writing that if admitted to the evaluation and treatment facility, secure

withdrawal management and stabilization facility, or approved substance use disorder treatment program for inpatient treatment, a commitment hearing shall be held within 120 hours of the adolescent's provisional acceptance to determine whether probable cause exists to commit the adolescent for further treatment.

(b) The adolescent shall be advised that he or she has a right to communicate immediately with an attorney and that he or she has a right to have an attorney appointed to represent him or her before and at the hearing if the adolescent is indigent.

(4) Subject to subsection (5) of this section, whenever the designated crisis responder petitions for detention of an adolescent under this chapter, an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program providing 120-hour evaluation and treatment must immediately accept on a provisional basis the petition and the person. Within 24 hours of the adolescent's arrival, the facility must evaluate the adolescent's condition and either admit or release the adolescent in accordance with this chapter.

(5) A designated crisis responder may not petition for detention of an adolescent to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and that has adequate space for the adolescent.

(6) If an adolescent is not approved for admission by the inpatient evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, the facility shall make such recommendations and referrals for further care and treatment of the adolescent as necessary.

(7) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section, based on the purpose of this chapter under RCW 71.34.010, except in the few cases where the facility staff or the designated crisis responder have totally disregarded the requirements of this section.

(8) In any investigation and evaluation of an adolescent under this section in which the designated crisis responder knows, or has reason to know, that the adolescent is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the designated crisis responder shall notify the tribe and the Indian health care provider whether or not a petition for initial detention or involuntary outpatient treatment will be filed as soon as possible, but no later than three hours from the time the decision is made. If a petition for initial detention or involuntary outpatient treatment is filed, the designated crisis responder must provide the tribe with a copy of the petition, together with any orders issued by the court and a notice of the tribe's right to intervene as soon as possible, but before the hearing, and no later than 24 hours from the time the petition is served upon the person and the person's guardian. The court clerk shall provide copies of any court orders necessary for the designated crisis responder to provide notice to the tribe or Indian health care provider under this section. Notification under this section is subject to any federal and state laws and regulations including the requirements in RCW 70.02.240 and shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan.
