

RCW 88.16.155 Vessel master to make certification before pilotage service offered—Procedure upon refusal—Rules—Penalties—Exception.

(1) The master of any vessel which employs a Washington licensed pilot shall certify on a form prescribed by the board of pilotage commissioners that the vessel complies with:

(a) Such provisions of the United States coast guard regulations governing the safety and navigation of vessels in United States waters, as codified in Title 33 of the Code of Federal Regulations, as the board may prescribe; and

(b) The provisions of current international agreements governing the safety, radio equipment, and pollution of vessels and other matters as ratified by the United States Senate and prescribed by the board.

(2) The master of any vessel which employs a Washington licensed pilot shall be prepared to produce, and any Washington licensed pilot employed by a vessel shall request to see, certificates of the vessel which certify and indicate that the vessel complies with subsection (1) of this section and the rules of the board promulgated pursuant to subsection (1) of this section.

(3) If the master of a vessel which employs a Washington licensed pilot cannot certify that the vessel complies with subsection (1) of this section and the rules of the board adopted pursuant to subsection (1) of this section, the master shall certify that:

(a) The vessel will comply with subsection (1) of this section before the time the vessel is scheduled to leave the waters of Washington state; and

(b) The coast guard captain of the port was notified of the noncomplying items when they were determined; and

(c) The coast guard captain of the port has authorized the vessel to proceed under such conditions as prescribed by the coast guard pursuant to its authority under federal statutes and regulations.

(4) After the board has prescribed the form required under subsection (1) of this section, no Washington licensed pilot shall offer pilotage services to any vessel on which the master has failed to make a certification required by this section. If the master fails to make a certification the pilot shall:

(a) Disembark from the vessel as soon as safely practicable; and

(b) Immediately inform the coast guard captain of the port of the conditions and circumstances by the best possible means; and

(c) Forward a written report to the board no later than twenty-four hours after disembarking from the vessel.

(5) Any Washington licensed pilot who offers pilotage services to a vessel on which the master has failed to make a certification required by this section or the rules of the board adopted under this section shall be subject to RCW 88.16.150, as now or hereafter amended, and RCW 88.16.100, as now or hereafter amended.

(6) The board shall revise the requirements enumerated in this section as necessary to reflect changes in coast guard regulations, federal statutes, and international agreements. All actions of the board under this section shall comply with chapters 34.05 and 42.30 RCW. The board shall prescribe the time of and method for retention of forms which have been signed by the master of a vessel in accordance with the provisions of this section.

(7) This section shall not apply to the movement of dead ships. The board shall prescribe pursuant to chapter 34.05 RCW, after consultation with the coast guard and interested persons, for the

movement of dead ships and the certification process thereon. [2008 c 128 s 13; 1977 ex.s. c 337 s 11.]
