

WAC 4-30-136 Reporting continuing professional education (CPE) to the board. In order to apply for renewal of your license or registration as a resident nonlicensee firm owner, you must satisfy the board's CPE and supporting documentation requirements.

The reporting of compliance with CPE requirements is concurrent with filing your renewal application. When you complete your application for renewal, you are required to certify that you complied with the board's CPE requirements as defined in WAC 4-30-134 and supporting documentation requirements as defined in WAC 4-30-138.

The board may verify through audit compliance with CPE and supporting documentation requirements as certified during the renewal application process. As part of this audit the board may require additional information to demonstrate your compliance with the board's rules.
