

WAC 67-35-290 Department responsibility—Contact with property management. The staff of the vending facility program will make regularly scheduled contacts with the property management person controlling the property where the vending facility is located to determine if terms of the permit or contract are being met and to process any other problems or requests which may exist.

[Statutory Authority: 1983 c 194 § 18. WSR 84-01-043 (Order 83-09), § 67-35-290, filed 12/15/83. Formerly WAC 67-32-290.]
