Any organization of academic employees of Seattle College District No. 6 desiring to be recognized as the majority organization representing such employees pursuant to chapter 196, Laws of 1971 ex. sess., shall request in writing of the board of trustees of Seattle College District No. 6 that an election be held to determine whether a majority of such employees desire to designate it as their representative for the purposes of the act. Upon the receipt of such a request the board of trustees of Seattle College District No. 6 will request some independent and neutral person or association to determine whether thirty percent or more of the academic employees of Seattle College District No. 6 have indicated that they desire to be represented by that organization for such purposes. The independent and neutral person or association shall make such determination upon the basis of records of dues, paying memberships, signed authorizations to represent, or other reliable and probative evidence.

Any other organization of academic employees desiring to be designated as the majority organization representing such employees shall, within seven days after publication of such notice by the board of trustees of Seattle College District No. 6, file with the board of trustees a request in writing that its name be included on the ballot in the election to be held together with written proof of at least ten percent representation of the academic employees of the district. The request by this organization shall be submitted to the same neutral person or association designated pursuant to WAC 132F-112-006 who shall rule according to the criteria stated therein as to each request received pursuant to this section. The election officer shall designate at least one inspector for each polling place to observe the conduct of the election. Any organization whose name shall appear on the ballot in the election shall also be entitled to have one inspector present at each polling place to observe the conduct of the election. Each organization shall also be entitled to have an inspector present at the college district office for the counting of the ballots cast. Such inspectors must refrain from electioneering during the election. Each academic employee may cast only one ballot in any election held pursuant to these rules, and the presence of a signature beside the name of an employee desiring to vote shall automatically constitute grounds for challenge to his right to cast a ballot in an election.

WAC 132F-112-027 Incorrectly marked ballot. Any voter who incorrectly marks his ballot may obtain a new ballot by returning the incorrectly marked ballot to the chief election officer's inspector.

[Order 3415, § 132F-112-030, filed 4/27/72.]

WAC 132F-112-033 Folding ballot—Ballot box. Each voter shall fold his ballot so that the manner in which he has marked it cannot be observed and shall then place it in the locked ballot box provided at the designated voting place.

WAC 132F-112-036 Challenged ballot—Procedure. A challenged ballot shall be placed in an envelope bearing no identifying marks. - (3) All challenged ballots; and
- (4) The sealed ballot box containing all ballots cast.

WAC 132F-112-045 Disposition of challenged ballots—Tally sheets—Investigation by chief election officer. The challenged ballots previously placed in separate envelopes shall be placed in a sealed envelope marked "challenged ballots" and sent along with the tally sheet to the chief election officer. The challenged ballots shall not be opened or counted unless the counting of such ballots might affect the results of the election. If the challenged ballots might affect the results of the election, the chief election officer shall conduct an investigation into, or if necessary a formal hearing on, the validity of the challenges made. If he concludes that the challenge was properly made, that ballot shall be excluded from the count. Otherwise, such ballot shall be counted as cast.

[Order 3415, § 132F-112-045, filed 4/27/72.]

WAC 132F-112-048 Counting of ballots—Procedure—Certification of results of election—Retention of ballots—Signed voting lists. When ballot boxes from all voting places have been received by the chief election officer's inspector, he shall open them and thoroughly mix all ballots cast so that it is impossible to identify the polling place from which any particular ballot came. The ballots cast shall be separated into the categories as they have been cast for organizations participating in the election, for no organization, and void ballots which are unintelligible or for an organization not participating in the election. The ballots in these categories shall be counted by the chief election officer with the assistance of such of his election inspectors as shall be necessary in the presence of the inspectors for the organizations participating in the election. After the ballots have been so counted each inspector designated by the organizations to serve at the Seattle College District office shall indicate by his signature upon the tally sheet that he agrees with the count made, or in case of disagreement, he shall write a short statement of his grounds for disagreement with the count. The chief election officer shall certify to the board of trustees the results of the election within forty-eight hours after the polls have been closed. The used ballots, the unused ballots, the challenged ballots, and the signed voting lists of eligible academic employees shall be kept by the chief election officer or some person designated by him for one year after the election.

[Statutory Authority: RCW 28B.50.140(13) and 42.56.040. WSR 15-02-072, § 132F-112-048, filed 1/6/15, effective 2/6/15; Order 3415, § 132F-112-048, filed 4/27/72.]

The election officer shall investigate such objections and, if necessary, hold formal hearings thereon. He shall report thereon to the board of trustees. If the board of trustees shall conclude that the conduct objected to may have improperly affected the results of the election, it shall order a new election. Otherwise, it shall overrule the objections and the results of the election shall be considered final. Objections to the conduct of the election which are not filed in accordance with the provisions of this section shall be waived and of no effect.
