

**WAC 132S-05-025 Service of process.** To protect the interests of Columbia Basin College employees, all process servers (those attempting to deliver summonses, subpoenas, etc.) to employees should be directed to the human resources office on the Pasco campus. When the process server comes to the human resources office, they should be connected with the person to whom the papers are being served, if that person can be immediately located and is not instructing a class or performing other services at the time. If the person served is not immediately located, the papers will be left during usual business hours with the vice president for human resources & legal affairs or his or her executive assistant. If any of the above designees receives the papers from a process server, they will arrange a time and place for the individual being served to receive the legal documents in such a way as to minimize embarrassment and preserve confidentiality.
