

WAC 132Z-140-090 Basis of fee assessment. (1) The basis for establishing and charging use fees reflects the college's assessment of the present market and the cost of operations, and an evaluation of the intended purpose and its relationship to the purposes of this college. The board of trustees has determined that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule, which may include complimentary use. A current fee schedule is available from the office of the vice president for administrative services.

(2) The college does not wish to compete with private enterprise. Therefore, the college reserves the right to deny applications for facility use when the administration and/or the board of trustees feels a commercial facility is equivalent to the college facility, is available for use, and should be patronized. At no time will facility use be granted for a commercial activity at a rental rate, or upon terms, less than the full and fair rental value of premises used.
