

WAC 173-27-280 Civil penalty. (1) A person who fails to conform to the terms of a substantial development permit, conditional use permit or variance issued under RCW 90.58.140, who undertakes a development or use on shorelines of the state without first obtaining a permit, or who fails to comply with a cease and desist order issued under these regulations may be subject to a civil penalty by local government. The department may impose a penalty jointly with local government, or alone only upon an additional finding that a person:

(a) Has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule; or

(b) Has been given previous notice of the same or similar type of violation of the same statute or rule; or

(c) The violation has a probability of placing a person in danger of death or bodily harm; or

(d) Has a probability of causing more than minor environmental harm; or

(e) Has a probability of causing physical damage to the property of another in an amount exceeding one thousand dollars.

(2) In the alternative, a penalty may be issued to a person by the department alone, or jointly with local government for violations which do not meet the criteria of subsection (1)(a) through (e) of this section, after the following information has been provided in writing to a person through a technical assistance visit or a notice of correction:

(a) A description of the condition that is not in compliance and a specific citation to the applicable law or rule;

(b) A statement of what is required to achieve compliance;

(c) The date by which the agency requires compliance to be achieved;

(d) Notice of the means to contact any technical assistance services provided by the agency or others; and

(e) Notice of when, where, and to whom a request to extend the time to achieve compliance for good cause may be filed with the agency.

Furthermore, no penalty shall be issued by the department until the individual or business has been given a reasonable time to correct the violation and has not done so.

(3) Amount of penalty. The penalty shall not exceed one thousand dollars for each violation. Each day of violation shall constitute a separate violation.

(4) Aiding or abetting. Any person who, through an act of commission or omission procures, aids or abets in the violation shall be considered to have committed a violation for the purposes of the civil penalty.

(5) Notice of penalty. A civil penalty shall be imposed by a notice in writing, either by certified mail with return receipt requested or by personal service, to the person incurring the same from the department and/or the local government, or from both jointly. The notice shall describe the violation, approximate the date(s) of violation, and shall order the acts constituting the violation to cease and desist, or, in appropriate cases, require necessary corrective action within a specific time.
