- WAC 197-11-070 Limitations on actions during SEPA process. (1) Until the responsible official issues a final determination of non-significance or final environmental impact statement, no action concerning the proposal shall be taken by a governmental agency that would:
  - (a) Have an adverse environmental impact; or
  - (b) Limit the choice of reasonable alternatives.
- (2) In addition, certain DNSs require a fourteen-day period prior to agency action (WAC 197-11-340(2)), and FEISs require a seven-day period prior to agency action (WAC 197-11-460(4)).
- (3) In preparing environmental documents, there may be a need to conduct studies that may cause nonsignificant environmental impacts. If such activity is not exempt under WAC 197-11-800(17), the activity may nonetheless proceed if a checklist is prepared and appropriate mitigation measures taken.
- (4) This section does not preclude developing plans or designs, issuing requests for proposals (RFPs), securing options, or performing other work necessary to develop an application for a proposal, as long as such activities are consistent with subsection (1).
