

WAC 197-11-928 Lead agency for public and private proposals.

When the proposal involves both private and public activities, it shall be characterized as either a private or a public project for the purposes of lead agency designation, depending upon whether the primary sponsor or initiator of the project is an agency or from the private sector. Any project in which agency and private interests are too intertwined to make this characterization shall be considered a public project. The lead agency for all public projects shall be determined under WAC 197-11-926.
