

**WAC 220-412-030 Master hunter permit program.** (1) In order to effectively manage wildlife in areas or at times when a higher proficiency and demonstrated skill level are needed for resource protection or public safety, the department establishes the master hunter permit program.

(2) The master hunter permit program emphasizes safe, ethical, responsible, and lawful hunting practices. Program goals include improving the public's perception of hunting and perpetuating the highest hunting standards. A master hunter permit is required to participate in controlled hunts to eliminate problem animals that damage property or threaten public safety.

(a) The cost of initially applying for a master hunter permit shall be fifty dollars. The cost of renewing a master hunter permit shall be twenty-five dollars.

(b) The department shall determine the program's requirements and curriculum. The director shall establish an advisory group to assist agency staff in developing and managing the program.

(3) Master hunters are held to the highest ethical standards because these hunters are ambassadors for the department and are role models and mentors for the hunting community and for the public at large. Initial master hunter permit applicants must submit to a criminal background check. The department shall deny entry into the master hunter permit program to those applicants who have:

(a) Paid the required fine or been convicted within the last ten years of a chapter 77.15 RCW offense;

(b) Paid the required fine or been convicted within the last ten years of criminal trespass, reckless endangerment, criminal conspiracy, or making a false statement to law enforcement, while hunting, fishing, or engaging in any activity regulated by the department;

(c) Prior felonies prohibiting the possession of firearms, unless firearm possession is reinstated; or

(d) A current hunting or fishing license revocation or a current suspension of hunting or fishing license privileges in Washington or in another state.

(4) Master hunter permit applicants will be required to sign and abide by a hunter code of ethics and pass a comprehensive examination based upon study materials provided by the department. An initial master hunter permit applicant found to have submitted fraudulent information to the department or to have cheated on the master hunter examination will be excluded from the master hunter permit program for life.

(5) Initial master hunter permit applicants who successfully complete the master hunter permit program will receive a master hunter patch and a master hunter permit. The initial master hunter permit is valid for five consecutive years from the date of issuance. The permit may be renewed for additional five-year increments if, during each five-year period of validity, the master hunter fulfills the renewal requirements established by the department.

(6) Master hunters renewing their permit shall authorize the department to conduct a criminal background check each time they renew. The criminal background check will go back five years from the master hunter's anniversary date or back to the date this rule amendment was adopted, whichever period of time is shorter. The department's approval will be determined by compliance with this section.

(7) Persons who successfully complete the master hunter permit program and maintain the requirements developed by the department may

participate in special hunts. These master hunters must possess a valid master hunter permit while participating in the hunts.

(8) The department shall suspend a master hunter's permit for life if the master hunter:

(a) Pays the required fine or is convicted of a chapter 77.15 RCW misdemeanor, gross misdemeanor, or felony;

(b) Pays the required fine or is convicted of criminal trespass, reckless endangerment, criminal conspiracy, or making a false statement to law enforcement, while hunting, fishing, or engaging in any activity regulated by the department;

(c) Pays the required fine or is convicted of a felony prohibiting the possession of firearms, unless firearm possession is reinstated;

(d) Has his or her hunting or fishing license revoked, or hunting or fishing license privileges suspended in Washington or in another state; or

(e) Submitted fraudulent information to the department.

(9) A master hunter who pays the required fine or is found to have committed an infraction under chapter 77.15 RCW or the department's rules shall have his or her master hunter permit suspended for a period of two years.

(10) If a master hunter is cited, or charged by complaint, for a chapter 77.15 RCW offense; or for trespass, reckless endangerment, criminal conspiracy, or making a false statement to law enforcement, while hunting, fishing, or engaging in any activity regulated by the department, the department may immediately suspend the person's master hunter permit until the offense has been adjudicated.

(11) The department's master hunter coordinator will maintain open communications with landowners and the community. The department will investigate written accusations about master hunters and determine whether such complaints have merit and warrant enforcement action.

(12) Except under subsection (10) of this section, if a master hunter has his or her initial or renewal master hunter permit suspended for less than life, and the person wants to become a master hunter again, he or she must repeat the entire master hunter permit application process once the suspension period is over.

(13) Any person who has been denied initial admission into the master hunter permit program, renewal of his or her master hunter permit, or has had his or her master hunter permit suspended, has the right to an administrative hearing to contest the agency action. Such hearing will be held pursuant to chapter 34.05 RCW, the Administrative Procedure Act. Initial master hunter permit applicants who fail to submit the application fee or who submit an incomplete application will have their application returned. Denial of admission on these grounds does not trigger the right to an administrative hearing.

(14) "Conviction," as used in this section, is defined in RCW 77.15.050.

(15) It is unlawful for any person to hunt in a hunt restricted to master hunters if such person has not successfully been admitted into the master hunter permit program and maintained the requirements set forth in this section, or if the person's master hunter permit has been suspended. Master hunters need a valid master hunter permit and a valid hunting license and tag to hunt in master hunter restricted hunts. "To hunt," as used in this section, is defined as "an effort to kill, injure, capture, or harass a wild animal or wild bird," pursuant to RCW 77.08.010(53). Master hunters who have been issued a disabled

hunter permit by the department may only hunt with a designated hunter companion who has been admitted into the master hunter permit program and maintained the requirements under this section. Violations of this subsection shall be enforced under RCW 77.15.400 for wild birds, RCW 77.15.410 for big game, and RCW 77.15.430 for wild animals other than big game.

(16) Only Washington residents, as defined in RCW 77.08.010(39), may apply for an initial master hunter permit.
