

WAC 246-295-110 Special provisions. (1) SMAs willing to take ownership of systems which have not obtained their operating permit or are classified in the red operating permit category pursuant to chapter 246-294 WAC, may be allowed a "special provision" whereby they are given time to bring the system into regulatory compliance. This "special provision" is subject to an agreement among the SMA, the department and, if applicable, the public water system that documents how and within what time frame the SMA will bring the noncomplying system into compliance.

(2) Extensions to the time frame may be granted if agreed upon between the SMA and the secretary. If the agreed upon time frame passes and no extension has been granted, the system at issue shall remain out of compliance and the SMA shall be removed from the approved SMA list.
