

WAC 246-341-0714 Outpatient services—Day support mental health services. (1) Day support mental health services provide a range of integrated and varied life skills training. Day support services are designed to assist an individual in the acquisition of skills, retention of current functioning, or improvement in the current level of functioning, appropriate socialization, and adaptive coping skills.

(2) Services include training in basic living and social skills, and educational, vocational, prevocational, and day activities. Day support services may include therapeutic treatment.
