

WAC 247-12-075 Costs of providing copies of public records. (1) **Inspection.** There is no fee for inspecting public records, including inspecting records on the Washington health care facilities authority (authority) website.

(2) **Statutory default costs.** The authority is not calculating actual costs for copying its records because to do so would be unduly burdensome for the following reasons: The authority does not have the resources to conduct a study to determine actual copying costs for all its records; to conduct such a study would interfere with other essential agency functions; and, through the legislative process, the public and requestors have commented on and been informed of authorized fees and costs provided in the Public Records Act including RCW 42.56.120 and other laws. Therefore, in order to implement a fee schedule consistent with the Public Records Act, it is more cost efficient, expeditious and in the public interest for the authority to adopt the state legislature's approved fees and costs for most of the authority records, as authorized in RCW 42.56.120 and as published in the agency's fee schedule.

(3) **Fee schedule.** The fee schedule is attached hereto; available at 410 11th Avenue S.E., Suite 201, Olympia, Washington 98501 and on-line at <http://www.whcfa.wa.gov>.

The authority will not charge sales tax when it makes copies of public records.

(5) **Costs of mailing.** The authority may also charge actual costs of mailing, including the cost of the shipping container.

(6) **Payment.** Payment may be made by check or money order to the authority.

(7) **Fee waivers.**

(ii) All of the records responsive to an entire request are electronic and can be provided in a single email with attachments; or
