

WAC 260-20-017 Test barn. (1) All racing associations must provide a test barn for taking specimens for testing. The test barn must be equipped with:

(a) A walk ring that is large enough to accommodate four horses;

(b) An approved amount of enclosed stalls that permit observation of the collection process and provide for the protection of collection personnel;

(c) Facilities for the collection, identification and storage of samples;

(d) A wash-rack that is large enough to accommodate an adequate number of horses at the same time;

(e) Hot and cold running water at Class A and B racing associations.

(2) A racing association will limit access to the test barn to persons authorized by the official veterinarian.
