

WAC 296-150C-0460 What information must a manufacturer send to the department when a professional or firm does the design-plan approval? You must send us the following information in your approved design plans:

- (1) A completed departmental design-plan approval request form;
- (2) A set of the design plan drawings, specifications, engineering analysis, and test results and procedures necessary for a complete code evaluation of the design. These design plans must be sealed by the design professional(s) in accordance with chapters 196-23 and 308-12 WAC;
- (3) A cover sheet on the design plan noting which professional approved each portion of the design plan;
- (4) A copy of the authorization letter from us; and
- (5) The design plan fee for design plans approved by professionals or firms (see WAC 296-150C-3000).
