

WAC 388-03-135 Where are the test locations and how frequent are the test sessions? (1) Normally, testing for all languages is conducted in eastern and western Washington. The number of test locations and the frequency of test sessions are determined on the basis of budgetary allotment for the testing program and varying language needs of the department.

(2) Test locations can change because of scheduling factors and varying demand for testing services. Carefully read your test confirmation letter because it contains specific information on test date, test time, and test location. Current test locations and driving directions to test locations are always published on the LTC website.
