

WAC 388-106-0080 How is the amount of long-term care services I can receive in my own home or in a residential facility determined?

The amount of long-term care services you can receive in your own home or in a residential facility is determined through a classification system. Seventeen classifications apply to clients served in residential and in-home settings. The department has assigned each classification a residential facility daily rate or a base number of hours you can receive in your own home.
