

WAC 388-106-1990 May I choose to receive traditional medicaid long-term services and supports instead of services under the MAC program? Yes. You, as the care receiver, may choose to apply for traditional medicaid long term services and supports such as community first choice, community option program entry system (COPES), new freedom, and residential support waiver, instead of services under the MAC program. You must contact your case manager who will assist you with this process. You may only receive services that you are eligible for under the applicable rules. You may not receive services under MAC and a traditional medicaid long-term services and supports program at the same time.
