

WAC 388-835-0795 What requirements apply to providers who receive rate increases? (1) Providers that receive prospective rate increases may be required to submit quarterly reports showing how the additional funds were spent. If required, a quarterly report would begin on the first day of the month following the date the rate increase is granted.

(2) If the additional funds resulting from the rate increase are not spent on DSHS approved changes or improvements approved, DSHS may ask that they be returned immediately.

(3) If a facility gives written notice to DSHS that it intends to close by a specific date and that returning the funds would jeopardize its ability to provide for the health, safety, and welfare of its residents, it may not have to return the additional funds.
