

WAC 392-123-055 Identification of revenues to be included in the budget. Only revenues which can be reasonably anticipated to be available, as defined in WAC 392-123-047 in the fiscal period for which the budget is being prepared may be budgeted by a school district or charter school, except under the following condition: Receipt of written permission from the superintendent of public instruction to budget as revenue in a district's budget receivables collectible in future fiscal periods.

All available current information including current instructions contained in bulletins now or hereafter published by the superintendent of public instruction shall be used to determine the amount of budget revenues that can reasonably be expected to be available in the fiscal period. Proposed levies which have not been certified as approved by the voters shall not be included in the budget as adopted for operation of the district or charter school.

For charter schools authorized by a school district board of directors, allocations to a charter school that are included in RCW 84.52.0531 (3)(a) through (c) shall be included in the school district's budget in the same manner as other public schools in the district.

For levies submitted to voters after a charter school's start-up date, the charter school must be included in the school district's budget in the same manner as other public schools in the district.
