

WAC 392-123-105 State board of education action regarding missing or noncompliant budget. The state board of education shall be provided written notification of the superintendent of public instruction's determination and shall meet to adopt a financial plan to operate the district. The plan adopted by the state board shall be in effect until a revised budget which complies with state statutory law and this chapter is adopted and submitted by the district.

[Order 8-76, § 392-123-105, filed 7/23/76; Order 7-75, § 392-123-105, filed 12/22/75. Formerly WAC 392-30-200.]
