

WAC 480-30-351 Tariffs and time schedules, maps with tariffs.

An auto transportation company must file a map with its tariff that clearly identifies the company's entire certificated authority area. If an auto transportation company divides its authorized certificate area into service territories, areas, or zones the company must also file a map showing each of the tariff service territory divisions. The maps must meet the specifications in WAC 480-30-051.
