PERMANENT RULES
PROFESSIONAL EDUCATOR
STANDARDS BOARD

[Filed March 29, 2021, 1:53 p.m., effective April 29, 2021]

Effective Date of Rule: Thirty-one days after filing.

Purpose: These rules include modifications to the following credentials: Deaf education endorsement; career and technical education American sign language interpreter specialty area; orientation and mobility educational staff assistance certificate/specialty endorsement; teacher of the visually impaired; classified provider of Braille instruction; certificated provider of Braille instruction.

These changes reflect recommendations from stakeholder workgroups.

The proposed changes increase access by adding options for obtaining or renewing credentials, or by reducing barriers.

The workgroups looked at related roles as a whole to ensure a coherent system. Previously, each role had been considered separately, in separate years.

The recommendations clarify and streamline the system, while maintaining high standards.

Educators who currently hold these credentials will not find changes in what they need to do to renew other than that additional options may be available.
