WAC 182-08-197 When must a newly eligible employee, or an employee who regains eligibility for the employer contribution, elect public employees benefits board (PEBB) benefits and complete required forms? An employee who is newly eligible or who regains eligibility for the employer contribution toward public employees benefits board (PEBB) benefits enrolls as described in this section.

(1) When an employee is newly eligible for PEBB benefits:

(a) An employee must complete the required forms indicating their enrollment elections, including an election to waive enrollment provided the employee is eligible to waive as described in WAC 182-12-128. The required forms must be returned to the employee's employing agency or contracted vendor. Their employing agency or contracted vendor must receive the forms no later than 31 days after the employee becomes eligible for PEBB benefits under WAC 182-12-114.

(i) An employee may enroll in supplemental life insurance up to the guaranteed issue coverage amount without evidence of insurability if the required forms are returned to the employee's employing agency or contracted vendor as required. An employee may apply for enrollment in supplemental life insurance over the guaranteed issue coverage amount at any time during the calendar year by submitting the required form to the contracted vendor for approval. For an employee who re-

quests a change in their supplemental life insurance after the election period described in this subsection, the change begins the first day of the month following the date the contracted vendor approves the request. An employee may enroll in supplemental accidental death and dismemberment (AD&D) insurance at any time during the calendar year without evidence of insurability by submitting the required form to the contracted vendor.

(ii) Employees are enrolled in employee-paid long-term disability (LTD) insurance automatically. An employee may elect to reduce their employee-paid LTD insurance or decline their employee-paid LTD insurance by returning the form to their employing agency. An employee may apply for a change in their employee-paid LTD insurance at any time during the calendar year by submitting the required form to their employing agency or the contracted vendor. For an employee who requests a change in their employee-paid LTD insurance after the election period described in this subsection, the change begins the first day of the month following the date the employing agency receives the required form requesting to reduce or decline the employee-paid LTD insurance, or the day of the month the contracted vendor approves the required form to increase the employee-paid LTD insurance.

(iii) If an employee is eligible to participate in the salary reduction plan (see WAC 182-12-116), the employee will automatically enroll in the premium payment plan upon enrollment in PEBB medical allowing medical premiums to be taken on a pretax basis. To opt out of the premium payment plan, a new employee must complete the required form and return it to their state agency. The form must be received by their state agency no later than 31 days after the employee becomes eligible for PEBB benefits.

(iv) If an employee is eligible to participate in the salary reduction plan (see WAC 182-12-116), the employee may enroll in the state's medical flexible spending arrangement (FSA), limited purpose FSA, dependent care assistance program (DCAP), or both an FSA and DCAP, except as limited by subsection (4) of this section. To enroll in these PEBB benefits, the employee must return the required form to their state agency. The form must be received by the state agency no later than 31 days after the employee becomes eligible for PEBB benefits.

(b) If a newly eligible employee's employing agency, or the authority's contracted vendor in the case of life insurance and AD&D insurance, does not receive the employee's required forms indicating medical, dental, life insurance, AD&D insurance, and LTD insurance elections, and the employee's tobacco use status attestation within 31 days of the employee becoming eligible, their enrollment will be as follows for those elections not received within 31 days:

(i) A medical plan determined by the health care authority (HCA);

(ii) A dental plan determined by the HCA;

(iii) Basic life insurance;

(iv) Basic AD&D insurance;

(vii) A tobacco use premium surcharge will be incurred as described in WAC 182-08-185 (1)(b).

(2) The employer contribution toward PEBB benefits ends according to WAC 182-12-131. When an employee's employment ends, participation in the salary reduction plan ends.

(3) When an employee regains eligibility for the employer contribution toward PEBB benefits, including following a period of leave de-

scribed in WAC 182-12-133(1), or after being between periods of leave as described in WAC 182-12-142 (1) and (2), or 182-12-131 (3)(e), PEBB medical and dental begin on the first day of the month the employee is in pay status eight or more hours, or the first day of the month in which the quarter or semester begins for faculty who regains eligibility as described in WAC 182-12-131 (3)(e).

Note: When an employee who is called to active duty in the uniformed services under Uniformed Services Employment and Reemployment Rights Act (USERRA) loses eligibility for the employer contribution toward PEBB benefits, they regain eligibility for the employer contribution toward PEBB benefits the day they return from active duty. Employer-paid PEBB benefits will begin the first day of the month in which they return from active duty.

(a) An employee must complete the required forms indicating their enrollment elections, including an election to waive enrollment if the employee chooses to waive enrollment as described in WAC 182-12-128. The required forms must be returned to the employee's employing agency except as described in (d) of this subsection. Forms must be received by the employing agency, life insurance contracted vendor, or AD&D contracted vendor, if required, no later than 31 days after the employee regains eligibility, except as described in (a)(i) and (b) of this subsection:

(i) An employee who self-paid for supplemental life insurance or supplemental AD&D coverage after losing eligibility will maintain that level of coverage upon return;

(ii) An employee who was eligible to continue supplemental life insurance but discontinued that supplemental coverage must submit evidence of insurability to the contracted vendor if they choose to reenroll when they regain eligibility for the employer contribution;

(iii) An employee who was eligible to continue employee-paid LTD insurance but discontinued that coverage must submit evidence of insurability for employee-paid LTD insurance to the contracted vendor when they regain eligibility for the employer contribution.

(b) An employee or faculty in any of the following circumstances does not have to return a form indicating employee-paid LTD insurance elections. Their employee-paid LTD insurance will be automatically reinstated effective the first day of the month they are in pay status eight or more hours or the first day of the month in which the quarter or semester begins for faculty who regains eligibility as described in WAC 182-12-131 (3)(e):

(i) The employee continued to self-pay for their employee-paid LTD insurance after losing eligibility for the employer contribution;

(ii) The employee was not eligible to continue employee-paid LTD insurance after losing eligibility for the employer contribution.

(c) If an employee's employing agency, or contracted vendor accepting forms directly, does not receive the required forms within 31 days of the employee regaining eligibility, the employee's enrollment for those elections not received will be as described in subsection (1)(b)(i) through (vii) of this section, except as described in (a)(i) and (b) of this subsection.

(d) If an employee is eligible to participate in the salary reduction plan (see WAC 182-12-116) the employee may enroll in the medical FSA, limited purpose FSA, DCAP, or both an FSA and DCAP, except as limited by subsection (4) of this section. To enroll in these PEBB benefits, the employee must return the required form to the contracted vendor or their state agency. The contracted vendor or employee's state agency must receive the form no later than 31 days after the employee becomes eligible for PEBB benefits.

(4) If an employee who is eligible to participate in the salary reduction plan (see WAC 182-12-116) is hired into a new position that

is eligible for PEBB benefits in the same year, the employee may not resume participation in a DCAP, a medical FSA, or a limited purpose FSA until the beginning of the next plan year, unless the time between employments is 30 days or less and within the current plan year. The employee must notify their new state agency of the transfer by providing the new state agency's personnel, payroll, or benefits office the required form no later than 31 days after the employee's first day of work with the new state agency.

(5) An employee's PEBB benefits elections remain the same when an employee transfers from one employing agency to another employing agency without a break in PEBB benefits for one month or more. This includes movement of an employee between any entities described in WAC 182-12-111 and participating in PEBB benefits. PEBB benefits elections also remain the same when an employee has a break in employment that does not interrupt their employer contribution toward PEBB benefits.

(6) When a retiree becomes eligible for the employer contribution toward PEBB benefits, PEBB retiree insurance coverage will be automatically deferred. The subscriber will be exempt from the deferral form requirement. ((~~When the subscriber is no longer eligible for the employer contribution toward PEBB benefits, they must enroll or defer PEBB retiree insurance coverage as described in WAC 182-12-171, 182-12-200, and 182-12-205.~~))

Note: When the subscriber is no longer eligible for the employer contribution toward PEBB benefits, they may enroll in PEBB retiree insurance coverage as described in WAC 182-12-171, or continue in a deferred status if they meet the requirements in WAC 182-12-200 or 182-12-205.

WAC 182-08-199 When may an employee enroll, or revoke an election and make a new election under the premium payment plan, medical flexible spending arrangement (FSA), limited purpose FSA, or dependent care assistance program (DCAP)? An employee who is eligible to participate in the salary reduction plan as described in WAC 182-12-116 may enroll, or revoke their election and make a new election under the premium payment plan, medical flexible spending arrangement (FSA), limited purpose FSA, or dependent care assistance program (DCAP) at the following times:

(1) When newly eligible under WAC 182-12-114 and enrolling as described in WAC 182-08-197(1).

(2) **During annual open enrollment:** An eligible employee may elect to enroll in or opt out of participation under the premium payment plan during the annual open enrollment by submitting the required form to their employing agency. An eligible employee may elect to enroll or reenroll in the medical FSA, limited purpose FSA, DCAP, or both an FSA and DCAP during the annual open enrollment by submitting the required forms to their employing agency or applicable contracted vendor as instructed. All required forms must be received no later than the last day of the annual open enrollment. The enrollment or new election becomes effective January 1st of the following year.

(a) Employees cannot enroll in a medical FSA and a limited purpose FSA in the same year.

(b) Employees enrolled in a consumer directed health plan (CDHP) with a health savings account (HSA) cannot also enroll in a medical FSA in the same plan year. Employees who elect enrollment in the CDHP

with a HSA and a medical FSA will only be enrolled in a CDHP with a HSA.

(c) Employees who enroll in a CDHP with a HSA during the annual open enrollment and have a carryover amount from a medical FSA, will be enrolled in a limited purpose FSA and the carryover amount will be deposited into the limited purpose FSA.

(d) Employees who are not enrolled in a CDHP with a HSA and elect both a medical FSA and a limited purpose FSA will be enrolled in the medical FSA.

~~3. Employees who are not enrolled in a CDHP with a HSA and elect both a medical FSA and a limited purpose FSA will be enrolled in the medical FSA.~~))

(3) **During a special open enrollment:** An employee who is eligible to participate in the salary reduction plan may enroll or revoke their election and make a new election under the premium payment plan, medical FSA, limited purpose FSA, or DCAP outside of the annual open enrollment if a special open enrollment event occurs. The enrollment or change in election must be allowable under Internal Revenue Code (IRC) and Treasury regulations, and correspond to and be consistent with the event that creates the special open enrollment. To make a change or enroll, the employee must submit the required form to their employing agency. The employing agency must receive the required form and evidence of the event that created the special open enrollment no later than 60 days after the event occurs.

For purposes of this section, an eligible dependent includes any person who qualifies as a dependent of the employee for tax purposes under IRC 26 U.S.C. Sec. 152 without regard to the income limitations of that section. It does not include a state registered domestic partner unless the state registered domestic partner otherwise qualifies as a dependent for tax purposes under IRC 26 U.S.C. Sec. 152.

(a) **Premium payment plan.** An employee may enroll or revoke their election and elect to opt out of the premium payment plan when any of the following special open enrollment events occur, if the requested change corresponds to and is consistent with the event. The enrollment or election to opt out will be effective the first day of the month following the later of the event date or the date the required form is received. If that day is the first of the month, the enrollment or change in election begins on that day. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, the enrollment or change in election will begin the first of the month in which the event occurs.

(i) Employee acquires a new dependent due to:

• Marriage;

• Registering a state registered domestic partnership when the dependent is a tax dependent of the employee;

• Birth, adoption, or when the employee has assumed a legal obligation for total or partial support in anticipation of adoption; or

• A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(ii) Employee's dependent no longer meets public employee benefits board (PEBB) eligibility criteria because:

• Employee has a change in marital status;

• Employee's domestic partnership with a state registered domestic partner who is a tax dependent is dissolved or terminated;

• An eligible dependent child turns age 26 or otherwise does not meet dependent child eligibility criteria;

• An eligible dependent ceases to be eligible as an extended dependent or as a dependent with a disability; or

• An eligible dependent dies.

(iii) Employee or an employee's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(iv) Employee has a change in employment status that affects the employee's eligibility for their employer contribution toward their employer-based group health plan;

(v) The employee's dependent has a change in their own employment status that affects their eligibility or their dependent's eligibility for the employer contribution under their employer-based group health plan;

Note: As used in (a)(v) of this subsection, "employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in Treasury Regulation 26 C.F.R. 54.9801-6.

(vi) Employee or an employee's dependent has a change in enrollment under an employer-based group health plan during its annual open enrollment that does not align with the PEBB annual open enrollment;

(vii) Employee or an employee's dependent has a change in residence that affects health plan availability;

(viii) Employee's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States and that change in residence resulted in the dependent losing their health insurance;

(ix) A court order requires the employee or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former state registered domestic partner is not an eligible dependent);

(x) Employee or an employee's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the subscriber or a subscriber's dependent loses eligibility for coverage under medicaid or CHIP;

(xi) Employee or an employee's dependent becomes eligible for state premium assistance subsidy for PEBB medical plan coverage from medicaid or CHIP;

(xii) Employee or an employee's dependent enrolls in coverage under medicare or the employee or an employee's dependent loses eligibility for coverage under medicare;

(xiii) Employee or an employee's dependent's current medical plan becomes unavailable because the employee or enrolled dependent is no longer eligible for a health savings account (HSA). The health care authority (HCA) requires evidence that the employee or employee's dependent is no longer eligible for an HSA;

(xiv) Employee or an employee's dependent experiences a disruption of care for active and ongoing treatment, that could function as a reduction in benefits for the employee or the employee's dependent. The employee may not change their health plan election if the employee's or dependent's physician stops participation with the employee's health plan unless the PEBB program determines that a continuity of care issue exists. The PEBB program will consider but not limit its consideration to the following:

• Active cancer treatment such as chemotherapy or radiation therapy;

• Treatment following a recent organ transplant;

• A scheduled surgery;
• Recent major surgery still within the postoperative period; or
• Treatment for a high-risk pregnancy.

(xv) Employee or employee's dependent becomes eligible and enrolls in a TRICARE plan, or loses eligibility for a TRICARE plan.

If the employee is having premiums taken from payroll on a pretax basis, a medical plan change will not be approved if it would conflict with provisions of the salary reduction plan authorized under RCW 41.05.300.

(b) **Medical FSA and limited purpose FSA.** An employee may enroll or revoke their election and make a new election under the medical FSA or limited purpose FSA when any one of the following special open enrollment events occur, if the requested change corresponds to and is consistent with the event. The enrollment or new election will be effective the first day of the month following the later of the event date or the date the required form and evidence of the event that created the special open enrollment is received by the employing agency. If that day is the first of the month, the enrollment or change in election begins on that day. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, the enrollment or change in election will begin the first of the month in which the event occurs.

(i) Employee acquires a new dependent due to:
• Marriage;
• Registering a state registered domestic partnership if the domestic partner qualifies as a tax dependent of the employee;
• Birth, adoption, or when the employee has assumed a legal obligation for total or partial support in anticipation of adoption; or
• A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(ii) Employee's dependent no longer meets PEBB eligibility criteria because:
• Employee has a change in marital status;
• Employee's domestic partnership with a state registered domestic partner who qualifies as a tax dependent is dissolved or terminated;
• An eligible dependent child turns age 26 or otherwise does not meet dependent child eligibility criteria;
• An eligible dependent ceases to be eligible as an extended dependent or as a dependent with a disability; or
• An eligible dependent dies.

(iii) Employee or an employee's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the HIPAA;

(iv) Employee or an employee's dependent has a change in employment status that affects the employee's or a dependent's eligibility for the medical FSA or limited purpose FSA;

(v) A court order requires the employee or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former state registered domestic partner is not an eligible dependent);

(vi) Employee or an employee's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the employee or an employee's dependent loses eligibility for coverage under medicaid or CHIP;

(vii) Employee or an employee's dependent enrolls in coverage under medicare.

(c) **DCAP.** An employee may enroll or revoke their election and make a new election under the DCAP when any one of the following special open enrollment events occur, if the requested change corresponds to and is consistent with the event. The enrollment or new election will be effective the first day of the month following the later of the event date or the date the required form and evidence of the event that created the special open enrollment is received by the employing agency. If that day is the first of the month, the enrollment or change in election begins on that day. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, the enrollment or change in election will begin the first of the month in which the event occurs.

(i) Employee acquires a new dependent due to:

• Marriage;

• Registering a state registered domestic partnership if the domestic partner qualifies as a tax dependent of the employee;

• A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(ii) Employee or an employee's dependent has a change in employment status that affects the employee's or a dependent's eligibility for DCAP;

(iii) Employee or an employee's dependent has a change in enrollment under an employer-based DCAP during its annual open enrollment that does not align with the PEBB annual open enrollment;

(iv) Employee changes dependent care provider; the change to the DCAP election amount can reflect the cost of the new provider;

(v) Employee or the employee's spouse experiences a change in the number of qualifying individuals as defined in IRC 26 U.S.C. Sec. 21 (b)(1);

(vi) Employee's dependent care provider imposes a change in the cost of dependent care; employee may make a change in the DCAP election amount to reflect the new cost if the dependent care provider is not a qualifying relative of the employee as defined in IRC 26 U.S.C. Sec. 152.

This section applies to an employer group as defined in WAC 182-08-015 or board members of school districts or educational service districts that is approved to purchase insurance for its employees through a contract with the health care authority (HCA).

(c) Determine employee and dependent eligibility and terms of enrollment for PEBB insurance coverage by the criteria outlined in this chapter and chapter 182-12 WAC unless otherwise approved by the authority in the employer group's contract with the authority;

Employees who enrolled after September 15, 1991, who are enrolled in PEBB retiree insurance coverage cease to be eligible under WAC 182-12-171, but may continue health plan enrollment on the same terms and conditions as retirees who are eligible under COBRA (see WAC 182-12-146).

AMENDATORY SECTION (Amending WSR 22-13-164, filed 6/21/22, effective 1/1/23)

WAC 182-12-123 Is dual enrollment in public employees benefits board (PEBB) and school employees benefits board (SEBB) prohibited? Public employees benefits board (PEBB) medical and dental coverage is limited to a single enrollment per individual as described in subsections (1) through (5) of this section. Effective January 1, 2022, individuals are limited to a single enrollment in medical, dental, and vision plans in either the PEBB program or school employees benefits board (SEBB) program as described in subsection (6) of this section.

(1) An individual who has more than one source of eligibility for enrollment in PEBB medical and PEBB dental coverage (called "dual eligibility") is limited to one enrollment.

(2) An eligible employee may waive PEBB medical and enroll as a dependent under the PEBB medical plan of their spouse, state registered domestic partner, or parent as described in WAC 182-12-128.

(3) A dependent enrolled in PEBB medical or PEBB dental who becomes eligible for PEBB benefits as an employee must elect to enroll in PEBB benefits as described in WAC 182-08-197 (1) or (3). This includes making an election to enroll in or waive enrollment in PEBB medical as described in WAC 182-12-128.

(a) If the employee does not waive enrollment in PEBB medical, the employee is not eligible to remain enrolled in their spouse's, state registered domestic partner's, or parent's PEBB medical as a dependent. If the employee's spouse, state registered domestic partner, or parent does not take action to remove the employee (who is enrolled as a dependent) from their subscriber account, the PEBB program will automatically disenroll the employee's enrollment as a dependent the last day of the month before the employee's enrollment in PEBB benefits begins as described in WAC 182-12-114.

Exception: An enrolled dependent who becomes newly eligible for PEBB benefits as an employee may be dual-enrolled in PEBB medical and dental for one month. This exception is only allowed for the first month the dependent is enrolled as an employee, and only if the dependent becomes enrolled as an employee on the first working day of a month that is not the first day of the month.

(b) If the employee elects to waive their enrollment in PEBB medical, the employee will remain enrolled in PEBB medical under their spouse's, state registered domestic partner's, or parent's PEBB medical as a dependent.

(4) A child who is eligible for PEBB medical and PEBB dental under two subscribers may be enrolled under both subscribers but is limited to a single enrollment in PEBB medical and a single enrollment in PEBB dental.

(5) When an employee is eligible for the employer contribution toward PEBB benefits due to employment in more than one PEBB-participating employing agency the following provisions apply:

(a) The employee must choose to enroll under only one employing agency.

Exception: Faculty who stack to establish or maintain eligibility as described in WAC 182-12-114(3) with two or more state institutions of higher education will be enrolled under the employing agency responsible to pay the employer contribution according to WAC 182-08-200(2).

(b) If the employee loses eligibility under the employing agency, they must notify their other employing agency no later than 60 days from the date PEBB benefits end through the employing agency described in (a) of this subsection to transfer coverage.

(c) The employee's elections remain the same when an employee transfers their enrollment under one employing agency to another employing agency without a break in PEBB benefits for one month or more, as described in (b) of this subsection.

(6) An individual who has more than one source of eligibility for enrollment in the PEBB and SEBB programs is limited to a single enrollment in medical, dental, and vision plans in either the PEBB or SEBB program. An employee must elect to enroll in PEBB benefits as described in WAC 182-08-197, waive enrollment as described in WAC 182-12-128, or remove eligible dependents as described in WAC 182-12-262. If the employee takes no action to resolve the dual enrollment, the PEBB program or the SEBB program will automatically enroll or automatically disenroll the individual as described in (d) through (h) of this subsection.

(a) An eligible employee may waive enrollment in PEBB medical to enroll in SEBB medical only if they are enrolled in SEBB dental and SEBB vision as described in WAC 182-12-128. An employee who waives enrollment in PEBB medical to enroll in SEBB medical also waives enrollment in PEBB dental.

(b) An eligible employee who waives enrollment in PEBB medical when they are enrolled in other employer-based group medical, a TRICARE plan, or medicare as described in WAC 182-12-128, and are not enrolled in SEBB medical, may waive enrollment in PEBB dental only if they are enrolled in both SEBB dental and SEBB vision as an eligible dependent in the SEBB program.

(c) A school employee in the SEBB program who waives SEBB medical, SEBB dental, and SEBB vision for PEBB medical must be enrolled in PEBB dental. If the school employee is not already enrolled in PEBB dental, the PEBB program will automatically enroll the school employee in the associated subscriber's PEBB dental.

(d) If the employee is enrolled only in PEBB dental, and is also enrolled in SEBB medical, and no action is taken to resolve their dual enrollment, the employee will remain in SEBB medical. The PEBB program will automatically disenroll the employee from PEBB dental in which they are enrolled. If the employee is not already enrolled in SEBB dental or SEBB vision, the SEBB program will automatically enroll them in both as described in WAC 182-31-070 (6)(g). The employee's enrollment in PEBB program life insurance, accidental death and dismemberment (AD&D) insurance, and long-term disability (LTD) insurance will remain.

(e) If the employee is enrolled in PEBB medical and is also a school employee in the SEBB program and enrolled in SEBB medical, and the employee has been enrolled in SEBB medical longer than they have been enrolled in PEBB medical, and no action is taken by the employee to resolve their dual enrollment, they will remain in SEBB medical. The PEBB program will automatically disenroll the employee from PEBB medical and PEBB dental. The employee's enrollment in PEBB program life insurance, AD&D insurance, and LTD insurance will remain. If the employee is not enrolled in medical under either the PEBB or SEBB program but is enrolled only in PEBB dental and SEBB vision (with or without enrollment in SEBB dental), the employee will remain in SEBB vision and if enrolled, SEBB dental. If the employee is not already enrolled in SEBB dental, the SEBB program will automatically enroll them as described in WAC 182-31-070 (6)(g). The PEBB program will automatically disenroll the employee from PEBB dental.

(f) If the employee's dependent is enrolled in any PEBB medical or PEBB dental plan, and the dependent is also a school employee in the SEBB program and enrolled in SEBB medical, and no action is taken by either the employee or the dependent to resolve the dependent's dual enrollment, the employee's dependent will remain in SEBB medical.

The PEBB program will automatically disenroll the employee's dependent from PEBB medical and PEBB dental in which they are enrolled.

(g) If the employee's dependent is enrolled in both PEBB medical and SEBB medical as a dependent and has been enrolled in SEBB medical longer than they have been enrolled in PEBB medical, and no action is taken to resolve the dual enrollment, the employee's dependent will remain in SEBB medical. The PEBB program will automatically disenroll the employee's dependent from PEBB medical and PEBB dental if they are enrolled. If the employee's dependent who is eligible as a dependent in both the PEBB and SEBB programs is not enrolled in any medical but is enrolled only in PEBB dental and SEBB vision (with or without SEBB dental) as a dependent, the dependent will remain in SEBB vision and if enrolled, SEBB dental. The PEBB program will automatically disenroll the employee's dependent from PEBB dental.

Exception: If there is a National Medical Support Notice (NMSN) or a court order in place, enrollment will be in accordance with the NMSN or order.

(h) If the employee's dependent, who is also a school employee in the SEBB program who the SEBB program automatically disenrolled from SEBB dental and SEBB vision, the PEBB program will automatically enroll the employee's dependent in PEBB dental, if they are not already enrolled.

(i) If the employee who is eligible for the employer contribution toward PEBB benefits was enrolled as a dependent in SEBB medical, SEBB dental, and SEBB vision and is removed by the SEBB subscriber, the employee will be required to return from waived enrollment as described in WAC 182-12-128 (3)(b).

(j) If the PEBB program automatically disenrolls an individual from PEBB medical or PEBB dental to resolve their dual enrollment as described in (e), (f), or (g) of this subsection, but later determines that the employee did take action to resolve their dual enrollment within the required timelines, the PEBB program will reinstate coverage retroactive to the first of the month in which the individual was disenrolled.

(7) A retiree who defers enrollment in PEBB retiree insurance coverage as described in WAC 182-12-200 by enrolling as an eligible dependent in a health plan sponsored by PEBB((~~, a Washington state educational service district,~~)) or SEBB and who loses the employer contribution for such coverage must enroll in PEBB retiree insurance coverage as described in WAC 182-12-200 or defer enrollment as described in WAC 182-12-205.

AMENDATORY SECTION (Amending WSR 22-13-158, filed 6/21/22, effective 1/1/23)

WAC 182-12-128 When may an employee waive enrollment in public employees benefits board (PEBB) medical and when may they enroll in PEBB medical after having waived enrollment? An employee may waive enrollment in public employees benefits board (PEBB) medical ((~~only~~)) if they are enrolled in other employer-based group medical, a TRICARE plan, or medicare as described in subsection (1)(a) through (c) of this section. They may not waive enrollment in PEBB medical if they are enrolled in PEBB retiree insurance coverage. An employee who waives enrollment in PEBB medical must enroll in PEBB dental, basic life insurance, basic accidental death and dismemberment insurance, and employer-paid long-term disability (LTD) insurance (unless the em-

ploying agency does not participate in these PEBB insurance coverages). For an employing agency that participates in LTD insurance, an employee will also be enrolled in employee-paid LTD insurance automatically unless the employee declines their employee-paid LTD insurance as described in WAC 182-08-197.

Exception: An employee may waive their enrollment in PEBB medical to enroll in school employees benefits board (SEBB) medical only if they are enrolled in SEBB dental and SEBB vision. An employee who waives enrollment in PEBB medical to enroll in SEBB medical also waives enrollment in PEBB dental.

(1) To waive enrollment in PEBB medical, the employee must submit the required form to their employing agency at one of the following times:

(a) **When the employee becomes eligible:** An employee may waive PEBB medical when they become eligible for PEBB benefits. The employee must indicate their election to waive enrollment in PEBB medical on the required form and submit the form to their employing agency. The employing agency must receive the form no later than 31 days after the date the employee becomes eligible for PEBB benefits (see WAC 182-08-197). PEBB medical will be waived as of the date the employee becomes eligible for PEBB benefits.

(b) **During the annual open enrollment:** An employee may waive PEBB medical during the annual open enrollment. The required form must be received by the employee's employing agency before the end of the annual open enrollment. PEBB medical will be waived beginning January 1st of the following year.

(c) **During a special open enrollment:** An employee may waive PEBB medical during a special open enrollment only if they are enrolled in other employer-based group medical, a TRICARE plan, or medicare as described in subsection (4) of this section. A special open enrollment event must be an event other than an employee gaining initial eligibility or regaining eligibility for PEBB benefits.

The employee must submit the required form to their employing agency. The employing agency must receive the form no later than 60 days after the event that creates the special open enrollment. In addition to the required form, the employee must provide evidence of the event that creates the special open enrollment to the employing agency.

PEBB medical will be waived the last day of the month following the later of the event date or the date the required form is received. If that day is the first of the month, PEBB medical will be waived the last day of the previous month. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, PEBB medical will be waived the last day of the previous month.

(2) If an employee waives PEBB medical, the employee may not enroll dependents in PEBB medical.

(3) Once PEBB medical is waived, the employee is only allowed to enroll in PEBB medical at the following times:

(a) During the annual open enrollment. The required form must be received by the employee's employing agency before the end of the annual open enrollment. PEBB medical will begin January 1st of the following year.

(b) During a special open enrollment. A special open enrollment allows an employee to revoke their election and make a new election outside of the annual open enrollment. A special open enrollment may be created when one of the events described in subsection (4) of this section occurs.

The employee must submit the required form to their employing agency. The employing agency must receive the form no later than 60 days after the event that creates the special open enrollment. In addition to the required form, the employee must provide evidence of the event that creates the special open enrollment to the employing agency.

PEBB medical will begin the first day of the month following the later of the event date or the date the required form is received. If that day is the first of the month, coverage is effective on that day. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, PEBB medical for the employee will begin on the first day of the month in which the event occurs. PEBB medical for the newly born child, newly adopted child, spouse, or state registered domestic partner will begin as described in WAC 182-12-262 (3)(a)(iv).

If an employee who is eligible for the employer contribution toward PEBB benefits was enrolled as a dependent in SEBB medical, SEBB dental, and SEBB vision and is removed by the SEBB subscriber, the health care authority will notify the employee of their removal from the SEBB subscriber's account and that they have experienced a special enrollment event. The employee will be required to return from waived enrollment and elect PEBB medical and PEBB dental. If the employee's employing agency does not receive the employee's required forms indicating their medical and dental elections within 60 days of the employee losing SEBB medical, SEBB dental, and SEBB vision, they will be defaulted into employee-only PEBB medical and PEBB dental as described in WAC 182-08-197 (1)(b)(i) and (ii).

(4) **Special open enrollment:** Any one of the events in (a) through (k) of this subsection may create a special open enrollment that allows the employee to enroll in PEBB medical after having waived enrollment. The change in enrollment must be allowable under the Internal Revenue Code (IRC) and Treasury regulations, and correspond to and be consistent with the event that creates the special open enrollment for the employee, the employee's dependent, or both.

(a) Employee acquires a new dependent due to:

(i) Marriage or registering a state registered domestic partnership;

(ii) Birth, adoption, or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or

(iii) A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(b) Employee or an employee's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(c) Employee has a change in employment status that affects the employee's eligibility for their employer contribution toward their employer-based group medical;

(d) The employee's dependent has a change in their own employment status that affects their eligibility or their dependent's eligibility for the employer contribution under their employer-based group medical;

Note: As used in (d) of this subsection, "employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in Treasury Regulation 26 C.F.R. 54.9801-6.

(e) Employee or an employee's dependent has a change in enrollment under an employer-based group medical plan during its annual open enrollment that does not align with the PEBB program's annual open enrollment;

(f) Employee's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States and that change in residence resulted in the dependent losing their health insurance;

(g) A court order requires the employee or any other individual to provide a health plan for an eligible dependent of the employee (a former spouse or former state registered domestic partner is not an eligible dependent);

(h) Employee or an employee's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the employee or an employee's dependent loses eligibility for coverage under medicaid or CHIP;

Note: An employee may only return from having waived PEBB medical for the events described in (h) of this subsection. An employee may not waive their PEBB medical for the events described in (h) of this subsection.

(i) Employee or an employee's dependent becomes eligible for state premium assistance subsidy for PEBB health plan coverage from medicaid or CHIP;

(j) Employee or employee's dependent becomes eligible and enrolls in a TRICARE plan, or loses eligibility for a TRICARE plan;

(k) Employee becomes eligible and enrolls in medicare, or loses eligibility for medicare.

AMENDATORY SECTION (Amending WSR 22-13-160, filed 6/21/22, effective 1/1/23)

WAC 182-12-171 When is a retiring employee or a retiring school employee eligible to enroll in public employees benefits board (PEBB) retiree insurance coverage? A retiring employee or a retiring school employee is eligible to continue enrollment or defer enrollment in public employees benefits board (PEBB) insurance coverage as a retiree if they meet procedural and substantive eligibility requirements as described in subsections (1), (2), and (3) of this section. An elected and full-time appointed official of the legislative and executive branch of state government is eligible as described in WAC 182-12-180.

(1) **Procedural requirements.** A retiring employee or a retiring school employee must enroll or defer enrollment in PEBB retiree insurance coverage as described in (a) through (d) of this subsection:

(a) To enroll in PEBB retiree insurance coverage, the required form must be received by the PEBB program no later than 60 days after the employee's or the school employee's own employer-paid coverage, Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage, or continuation coverage ends. The effective date of PEBB retiree insurance coverage is the first day of the month after the employee's or the school employee's employer-paid coverage, COBRA coverage, or continuation coverage ends;

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in Uniform Medical Plan (UMP) Classic during the gap month(s) prior to when the MA-PD coverage begins.

(b) The employee's or the school employee's first premium payment for PEBB retiree insurance coverage and applicable premium surcharges are due to the health care authority (HCA) no later than 45 days after the election period ends as described in (a) of this subsection. (c) If a retiring employee or a retiring school employee elects to enroll a dependent in PEBB health plan coverage, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the retiring employee or the retiring school employee;

Exception: If a retiring employee or a retiring school employee selects a medicare supplement plan or MA-PD plan, nonmedicare enrollees will be enrolled in the UMP Classic. If a retiring employee or a retiring school employee selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

(d) To defer enrollment in PEBB retiree insurance coverage, the employee or the school employee must meet substantive eligibility requirements in subsection (2) of this section and defer enrollment as described in WAC 182-12-200 or 182-12-205.

An exception to the requirement to be vested in and eligible to retire under a Washington state-sponsored retirement plan is provided for employees of an employer group in (c)(i) of this subsection. <u>To satisfy the requirement to immediately begin to receive a monthly retirement plan payment as described in (a), (b), (c)(ii), and (d) of this subsection, the employee or school employee must begin receiving a monthly retirement plan payment no later than the first month following the employee's or school employee's own employer-paid coverage, COBRA coverage, or continuation coverage ending.</u>

The employee does not have to receive a retirement plan payment to enroll in PEBB retiree insurance coverage.

(b) A retiring employee of a Washington higher education institution who is a member of a higher education retirement plan (HERP) must immediately begin to receive a monthly retirement plan payment, or meet their HERP plan's retirement eligibility criteria, or be at least age 55 with 10 years of state service;

~~except for an educational service district employee who must meet the requirements as described in (d) of this subsection~~)).

(i) A retiring employee who is eligible to retire under a retirement plan sponsored by an employer group or tribal government that is not a Washington state-sponsored retirement plan must meet the same age and years of service requirements as if they were a member of public employees retirement system Plan 1, if their date of hire with that employer group or tribal government was before October 1, 1977, or Plan 2, if their date of hire with that employer group or tribal government was on or after October 1, 1977.

(ii) A retiring employee who is eligible to retire under a Washington state-sponsored retirement plan must immediately begin to receive a monthly retirement plan payment, with exceptions described in (a)(i) and (ii) of this subsection.

(iii) A retired employee of an employer group((~~, except a Washington state educational service district,~~)) that ends participation in PEBB insurance coverage is no longer eligible to continue enrollment in PEBB retiree insurance coverage if they enrolled after September 15, 1991. Any retiree who loses eligibility for this reason may continue health plan enrollment as described in WAC 182-12-146.

(iv) A retired employee of a tribal government employer that ends participation in PEBB insurance coverage is no longer eligible to continue enrollment in PEBB retiree insurance coverage. Any retiree who loses eligibility for this reason may continue health plan enrollment as described in WAC 182-12-146.

(i) A retiring school employee who ends employment before October 1, 1993; or

(ii) A retiring school employee who receives a lump sum payment instead of a monthly retirement plan payment is only eligible if the department of retirement systems offered the school employee the choice between a lump sum actuarially equivalent payment and the ongoing monthly payment, as allowed by the plan, or the school employee enrolled before 1995; or

(3) A retiring employee or a retiring school employee and their enrolled dependents who are eligible for medicare must enroll and maintain enrollment in both medicare Parts A and B if the employee or the school employee retired after July 1, 1991. If a retiree or an enrolled dependent becomes eligible for medicare after enrollment in PEBB retiree insurance coverage, they must enroll and maintain enrollment in medicare Parts A and B to remain enrolled in a PEBB retiree health plan. If an enrollee who is eligible for medicare does not meet this procedural requirement, the enrollee is no longer eligible for enrollment in a PEBB retiree health plan. The enrollee's eligibility will end as described in the termination notice sent by the PEBB pro-

gram. The enrollee may continue PEBB health plan enrollment as described in WAC 182-12-146.

WAC 182-12-200 May a retiring employee, a retiring school employee, or a retiree enrolled as a dependent in a health plan sponsored by public employees benefits board (PEBB)((~~, a Washington state educational service district,~~)) or school employees benefits board (SEBB) defer enrollment under PEBB retiree insurance coverage? (1) A retiring employee or a retiring school employee may defer enrollment in public employees benefits board (PEBB) retiree insurance coverage at retirement if they meet substantive eligibility requirements as described in WAC 182-12-171(2) or as described in WAC 182-12-180(1). An enrolled retiree may defer enrollment after enrolling in PEBB retiree insurance coverage. Enrollment in PEBB retiree insurance coverage may be deferred when they are enrolled as a dependent in a health plan sponsored by PEBB((~~, a Washington state educational service district,~~)) or school employees benefits board (SEBB), including such coverage under the Consolidated Omnibus Budget Reconciliation Act (COBRA) or continuation coverage.

(2) A retiring employee, a retiring school employee, or a retiree who defers enrollment in PEBB retiree insurance coverage defers enrollment in PEBB medical and PEBB dental. A retiree must be enrolled in PEBB medical to enroll in PEBB dental. A retiree who defers enrollment also defers enrollment for all eligible dependents. A retiree may only defer enrollment in PEBB retiree term life insurance as described in WAC 182-12-209 (3)(b).

(3) A retiring employee, a retiring school employee, or a retiree who defers enrollment as described in this section may later enroll themselves and their dependents in a PEBB health plan by submitting the required forms as described below and evidence of continuous enrollment in a health plan sponsored by PEBB((~~, a Washington state educational service district,~~)) or SEBB. Evidence of continuous enrollment in a health plan sponsored by a Washington state educational service district may be required if a retiring employee, a retiring school employee, or a retiree deferred enrollment under this section

prior to January 1, 2024. A gap of 31 days or less is allowed between the date PEBB retiree insurance coverage is deferred and the start date of enrollment in a health plan sponsored by PEBB, a Washington state educational service district, or SEBB, and between each period of enrollment in qualifying coverages as described in WAC 182-12-205 (3)(a) through (e) during the deferral period:

The required forms to enroll must be received by the PEBB program no later than 60 days after coverage ends. PEBB health plan coverage begins the first day of the month following the date the other coverage ends. To continue in a deferred status, the retiree must defer enrollment as described in WAC 182-12-205.

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in Uniform Medical Plan (UMP) Classic during the gap month(s) prior to when the MA-PD coverage begins.

(c) If a retiree elects to enroll a dependent in PEBB health plan coverage as described in this subsection, the dependent must be enrolled in the same PEBB medical or PEBB dental plan as the retiree.

Exception: If a retiree selects a medicare supplement plan or MA-PD plan, nonmedicare enrollees will be enrolled in the UMP Classic. If a retiree selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

The written termination request must be received by the PEBB program. A retiree or a survivor who voluntarily terminates their enrollment in a PEBB health plan also terminates enrollment for all eligible dependents. Once coverage is terminated, a retiree or a survivor may not enroll again in the future unless they reestablish eligibility for PEBB insurance coverage by becoming newly eligible. Enrollment in a PEBB health plan will terminate on the last day of the month in which the PEBB program receives the termination request. If the termination request is received on the first day of the month, enrollment will terminate on the last day of the previous month.

Exception: When a subscriber or their dependent is enrolled in a MA plan, then enrollment will terminate on the last day of the month when the MA plan disenrollment form is received.

(10) When a retiree becomes eligible for the employer contribution toward PEBB benefits, PEBB retiree insurance coverage will be au-

AMENDATORY SECTION (Amending WSR 22-13-158, filed 6/21/22, effective 1/1/23)

WAC 182-12-262 When may subscribers enroll or remove eligible dependents? (1) **Enrolling dependents in public employees benefits board (PEBB) health plan coverage, supplemental dependent life insurance, and accidental death and dismemberment (AD&D) insurance.** A dependent must be enrolled in the same health plan coverage as the subscriber except as described in WAC 182-12-171 (1)(c). The subscriber must be enrolled in health plan coverage to enroll their dependent in health plan coverage except as provided in WAC 182-12-205 (3)(c). A dependent with more than one source of eligibility for enrollment in the PEBB and school employees benefits board (SEBB) programs is limited to a single enrollment in medical, dental, and vision plans in either the PEBB or SEBB program. Subscribers must satisfy the enrollment requirements as described in subsection (4) of this section and may enroll eligible dependents at the following times:

(a) **When the subscriber becomes eligible** and enrolls in PEBB benefits. If eligibility is verified the dependent's effective date will be as follows:

(i) PEBB health plan coverage will be the same as the subscriber's effective date;

(ii) Supplemental dependent life insurance or AD&D insurance, if elected, will be effective the first day of the month following the date the contracted vendor receives the required form or approves the enrollment. A newly born child must be at least 14 days old before supplemental dependent life insurance or AD&D insurance coverage is effective.

(b) **During the annual open enrollment.** PEBB health plan coverage begins January 1st of the following year;

(c) **During special open enrollment.** Subscribers may enroll dependents during a special open enrollment as described in subsection (3) of this section;

(d) **When a National Medical Support Notice (NMSN)** requires a subscriber to cover a dependent child in health plan coverage as described in WAC 182-12-263; or

(e) **Any time during the calendar year for supplemental dependent life insurance or AD&D insurance** by submitting the required form to the contracted vendor for approval. Evidence of insurability may be required for supplemental dependent life insurance but will not be required for supplemental AD&D insurance. Supplemental dependent life insurance or AD&D insurance will be effective the first day of the month following the date the contracted vendor receives the required form or approves the enrollment. A newly born child must be at least 14 days old before supplemental dependent life insurance or AD&D insurance coverage is effective.

(2) **Removing dependents from a subscriber's PEBB health plan coverage or supplemental dependent life insurance or AD&D insurance.**

(a) **A dependent's eligibility for enrollment in PEBB health plan coverage or supplemental dependent life insurance or AD&D insurance ends the last day of the month the dependent** meets the eligibility criteria as described in WAC 182-12-250 or 182-12-260. Subscribers must provide notice when a dependent is no longer eligible due to divorce, annulment, dissolution, or qualifying event of a dependent ceasing to be eligible as a dependent child, as described in WAC 182-12-260(3). For supplemental dependent life insurance or AD&D insurance, subscribers must notify the contracted vendor on the required form, in writing, or by telephone when a dependent is no longer eligible. Contact information for the contracted vendor may be found at hca.wa.gov/employees-contact-plan. For PEBB health plan coverage, the notice must be received within 60 days of the last day of the month the dependent loses eligibility. Employees must notify their employing agency when a dependent is no longer eligible for PEBB health plan coverage, except as required under WAC 182-12-260 (3)(g)(ii). All other subscribers must notify the PEBB program. Consequences for not submitting notice within the required 60 days include, but are not limited to:

(i) The dependent may lose eligibility to continue PEBB medical or dental under one of the continuation coverage options described in WAC 182-12-270;

(ii) The subscriber may be billed for claims paid by the health plan for services that were rendered after the dependent lost eligibility as described in WAC 182-12-270;

(iii) The subscriber may not be able to recover subscriber-paid insurance premiums for dependents that lost their eligibility; and

(iv) The subscriber may be responsible for premiums paid by the state for the dependent's health plan coverage after the dependent lost eligibility.

(b) **Employees have the opportunity to remove eligible dependents:**

(i) During the annual open enrollment. The dependent will be removed from PEBB health plan coverage the last day of December;

(ii) During a special open enrollment as described in subsections (3) and (4)(f) of this section;

(iii) When a NMSN requires a spouse, former spouse, or other individual to provide health plan coverage for a dependent who is already enrolled in PEBB coverage, and that health plan coverage is in fact provided as described in WAC 182-12-263(2); or

(iv) Any time during the calendar year from supplemental dependent life insurance or AD&D insurance by submitting a request to the contracted vendor on the required form, in writing, or by telephone. Contact information for the contracted vendor may be found at hca.wa.gov/employees-contact-plan.

(c) **Retirees (see WAC 182-12-171, 182-12-180, or 182-12-211), survivors (see WAC 182-12-180, 182-12-250, or 182-12-265), and PEBB continuation coverage enrollees (see WAC 182-12-133, 182-12-141, 182-12-142, 182-12-146, or 182-12-148) may remove dependents** from their PEBB health plan coverage outside of the annual open enrollment or a special open enrollment by providing written notice to the PEBB program. The dependent will be removed from the subscriber's PEBB health plan coverage prospectively. PEBB health plan coverage will end on the last day of the month in which the written notice is received by the PEBB program or on the last day of the month specified in the subscriber's written notice, whichever is later. If the written notice

is received on the first day of the month, PEBB health plan coverage will end on the last day of the previous month. PEBB continuation coverage enrollees may remove dependents from supplemental dependent life insurance or AD&D insurance any time during the calendar year by submitting a request to the contracted vendor on the required form, in writing, or by telephone. Contact information for the contracted vendor may be found at hca.wa.gov/employees-contact-plan.

(3) **Special open enrollment.**

(a) Subscribers may enroll or remove their eligible dependents outside of the annual open enrollment if a special open enrollment event occurs. The change in enrollment must be allowable under the Internal Revenue Code and Treasury Regulations, and correspond to and be consistent with the event that creates the special open enrollment for the subscriber, the subscriber's dependents, or both. To disenroll from a medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan, the change in enrollment must be allowable under 42 C.F.R. Secs. 422.62(b) and 423.38(c).

(i) PEBB health plan coverage will begin the first of the month following the later of the event date or the date the required form is received. If that day is the first of the month, the change in enrollment begins on that day except for a MA or MA-PD plan which will begin the first day of the month following the date the form is received.

(ii) PEBB health plan coverage for an extended dependent or a dependent with a disability will begin the first day of the month following the later of the event date or eligibility certification.

(iii) The dependent will be removed from the subscriber's PEBB health plan coverage the last day of the month following the later of the event date or the date the required form and proof of the event is received. If that day is the first of the month, the change in enrollment will be made the last day of the previous month.

(iv) If the special open enrollment is due to the birth or adoption of a child, or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of a child, PEBB health plan coverage will begin or end as follows:

• For the newly born child, PEBB health plan coverage will begin the date of birth;

• For a newly adopted child, PEBB health plan coverage will begin on the date of placement or the date a legal obligation is assumed in anticipation of adoption, whichever is earlier;

• For a spouse or state registered domestic partner of a subscriber, PEBB health plan coverage will begin the first day of the month in which the event occurs. The spouse or state registered domestic partner will be removed from PEBB health plan coverage the last day of the month in which the event occurred.

(v) Supplemental dependent life insurance or AD&D insurance will begin the first day of the month following the date the contracted vendor receives the required form or approves the enrollment. A newly born child must be at least 14 days old before supplemental dependent life insurance or AD&D insurance coverage is effective.

(b) The events described in this subsection (3)(b)(i) of this section create a special open enrollment to enroll eligible dependents in supplemental dependent life insurance or AD&D insurance. Any one of the following events may create a special open enrollment to enroll or remove eligible dependents from PEBB health plan coverage:

(i) Subscriber acquires a new dependent due to:

• Marriage or registering a state registered domestic partnership;

• Birth, adoption, or when a subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or

• A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(ii) Subscriber or a subscriber's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(iii) Subscriber has a change in employment status that affects the subscriber's eligibility for their employer contribution toward their employer-based group health plan;

(iv) The subscriber's dependent has a change in their own employment status that affects their eligibility or their dependent's eligibility for the employer contribution under their employer-based group health plan;

Note: As used in (iv) of this subsection, "employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in Treasury Regulation 54.9801-6.

(v) Subscriber or a subscriber's dependent has a change in enrollment under an employer-based group health plan during its annual open enrollment that does not align with the PEBB program's annual open enrollment;

(vi) Subscriber's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States and that change in residence resulted in the dependent losing their health insurance;

(vii) A court order requires the subscriber or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former state registered domestic partner is not an eligible dependent);

(viii) Subscriber or a subscriber's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the subscriber or a subscriber's dependent loses eligibility for coverage under medicaid or CHIP;

(ix) Subscriber or a subscriber's dependent becomes eligible for state premium assistance subsidy for PEBB health plan coverage from medicaid or CHIP;

(x) Subscriber's dependent enrolls in medicare, or loses eligibility for medicare.

(4) **Enrollment requirements. A subscriber must submit the required forms within the time frames described in this subsection.** For PEBB health plan coverage, an employee must submit the required forms to their employing agency, a subscriber on continuation coverage or PEBB retiree insurance coverage must submit the required forms to the PEBB program. In addition to the required forms indicating dependent enrollment, the subscriber must provide the required documents as evidence of the dependent's eligibility; or as evidence of the event that created the special open enrollment. All required forms and documents must be received within the required time frames. An employee enrolling a dependent in supplemental dependent life insurance or AD&D insurance must submit the required form to the contracted vendor for approval within the required time frames.

Note: When enrolling a state registered domestic partner or a state registered domestic partner's child, a subscriber must certify that the state registered domestic partner or state registered domestic partner's child is a tax dependent on the required form; otherwise, the PEBB program will assume the state registered domestic partner or state registered domestic partner's child is not a tax dependent.

(a) If a subscriber wants to enroll their eligible dependents in PEBB health plan coverage when the subscriber becomes eligible to enroll in PEBB benefits, the subscriber must include the dependent's en-

rollment information on the required forms and submit them within the required time frame described in WAC 182-08-197, 182-12-171, 182-12-180, 182-12-211, or 182-12-250. If an employee enrolls a dependent in supplemental dependent life insurance or AD&D insurance, the required form must be submitted within the required time frame described in WAC 182-08-197.

(b) If a subscriber wants to enroll eligible dependents in PEBB health plan coverage during the PEBB annual open enrollment period, the required forms must be received no later than the last day of the annual open enrollment.

(c) If a subscriber wants to enroll newly eligible dependents, the required forms must be received no later than 60 days after the dependent becomes eligible. An employee enrolling a dependent in supplemental dependent life insurance or AD&D insurance must submit the required form to the contracted vendor for approval. An employee may enroll a dependent in supplemental dependent life insurance up to the guaranteed issue coverage amount without evidence of insurability if the required form is submitted to the contracted vendor as required. Evidence of insurability will be required for supplemental dependent life insurance over the guaranteed issue coverage amount. Evidence of insurability is not required for supplemental AD&D insurance.

(d) If a subscriber wants to enroll a newborn or child whom the subscriber has adopted or has assumed a legal obligation for total or partial support in anticipation of adoption in PEBB health plan coverage, the subscriber should notify the PEBB program by submitting the required forms as soon as possible to ensure timely payment of claims. If adding the child increases the premium, the required forms must be received no later than 60 days after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption. An employee enrolling a dependent in supplemental dependent life insurance or AD&D insurance must submit the required form to the contracted vendor for approval no later than 60 days after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption. A newly born child must be at least 14 days old before supplemental dependent life insurance or AD&D insurance coverage can become effective.

(e) If the subscriber wants to enroll a child age 26 or older as a child with a disability in PEBB health plan coverage, the required forms must be received no later than 60 days after the child reaches age 26 or within the relevant time frame described in (a), (b), and (f) of this subsection. To recertify an enrolled child with a disability, the required forms must be received by the PEBB program or the contracted vendor by the child's scheduled PEBB health plan coverage termination date.

(f) If the subscriber wants to change a dependent's enrollment status in PEBB health plan coverage during a special open enrollment, the required forms must be received no later than 60 days after the event that creates the special open enrollment.

Exception: If the subscriber wants to change a dependent's enrollment or disenrollment in a medicare advantage or medicare advantage-prescription drug plan, the required forms must be received during a special enrollment period as allowed under 42 C.F.R. Secs. 422.62(b) and 423.38(c).

(g) An employee may enroll a dependent in supplemental dependent life insurance or AD&D insurance at any time during the calendar year by submitting the required form to the contracted vendor for approval. Evidence of insurability may be required for supplemental dependent

life insurance but will not be required for supplemental AD&D insurance.

AMENDATORY SECTION (Amending WSR 22-13-160, filed 6/21/22, effective 1/1/23)

WAC 182-12-265 What options for continuing health plan enrollment are available to a surviving spouse, state registered domestic partner, or child, if an employee, a school employee, or a retiree dies? The survivor of an eligible employee, an eligible school employee, or a retiree who meets the eligibility criteria and submits the required forms as described in subsection (1), (2), or (3) of this section is eligible to enroll or defer enrollment as a survivor under public employees benefits board (PEBB) retiree insurance coverage. If enrolling in PEBB retiree insurance coverage, the survivor's first premium payment and applicable premium surcharges are due to the health care authority (HCA) no later than 45 days after the election period ends as described in subsection (1), (2), or (3) of this section. Following the survivor's first premium payment, premiums and applicable premium surcharges must be paid as described in WAC 182-08-180 (1)(c).

(1) An employee's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible employee may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage provided they immediately begin receiving a monthly retirement benefit from any state of Washington sponsored retirement system. To satisfy the requirement to immediately receive a monthly retirement benefit they must begin receiving monthly benefit payments no later than 120 days from the date of death of the employee. The required forms to enroll or defer enrollment must be received by the PEBB program no later than 60 days after the later of the date of the employee's death or the date the survivor's PEBB insurance coverage ends.

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in Uniform Medical Plan (UMP) Classic during the gap month(s) prior to when the MA-PD coverage begins.

(a) The employee's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The employee's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

Notes: If a spouse, state registered domestic partner, or child of an eligible employee is not eligible for a monthly retirement benefit, they are not eligible to enroll as a survivor under PEBB retiree insurance coverage. However, they may continue health plan enrollment as described in WAC 182-12-146.

Eligibility for the surviving spouse, surviving state registered domestic partner, or surviving child of an employee of a participating employer group will cease at the end of the month in which the group's contract with the authority ends ((~~unless the employer group is an educational service district~~)).

Eligibility for the surviving spouse, surviving state registered domestic partner, or surviving child of an elected and full-time appointed official of the legislative and executive branches of state government is described in WAC 182-12-180.

(2) A retiree's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible retiree may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage. The required forms to enroll or defer enrollment must be received by the PEBB program no later than 60 days after the retiree's death.

(a) The retiree's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The retiree's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

(c) If a spouse, state registered domestic partner, or child of an eligible retiree is not enrolled in a PEBB health plan at the time of the retiree's death, the survivor is eligible to enroll or defer enrollment as a survivor under PEBB retiree insurance coverage. The required forms to enroll or defer enrollment must be received by the PEBB program no later than 60 days after the retiree's death. For a survivor to enroll in a PEBB health plan who is not enrolled due to the retiree electing to defer enrollment in PEBB retiree insurance coverage as described in WAC 182-12-200 or 182-12-205, the survivor must also provide evidence of continuous enrollment in one or more qualifying coverages as described in WAC 182-12-205 (3)(a) through (e) from the most recent open enrollment for which the survivor was not enrolled in a PEBB medical plan prior to the retiree's death. A gap of 31 days or less is allowed between the date PEBB retiree insurance coverage was deferred and the start date of a qualifying coverage, and between each period of enrollment in qualifying coverages during the deferral period.

Note: Eligibility for the surviving spouse, surviving state registered domestic partner, or surviving child of an employer group retiree will cease at the end of the month in which the group's contract with the authority ends ((~~unless the employer group is an educational service district~~)).

(3) A school employee's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible school employee may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage at the time of the school employee's death, provided the employee died on or after October 1, 1993. The survivor must immediately begin receiving a retirement benefit allowance under chapter 41.32, 41.35 or 41.40 RCW. The required forms to enroll or defer enrollment must be received by the PEBB program no later than 60 days after the later of the date of the school employee's death or the date the survivor's educational service district coverage, or school employees benefits board (SEBB) insurance coverage ends.

Note: Enrollment in the PEBB program's MA or MA-PD plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in UMP Classic during the gap month(s) prior to when the MA-PD coverage begins.

(a) The school employee's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The school employee's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

Note: If a spouse, state registered domestic partner, or child of an eligible school employee is not eligible for a retirement benefit allowance, they are not eligible to enroll as a survivor under PEBB retiree insurance coverage. However, a spouse, state registered domestic partner, or child of an eligible school employee enrolled in SEBB insurance coverage may continue health plan enrollment as described in WAC 182-31-090.

(4) If premiums and applicable premium surcharges received by the HCA are sufficient as described in WAC 182-08-180 (1)(d)(ii) to maintain PEBB health plan enrollment after the employee, school employee, or retiree's death, the PEBB program will consider the payment as notice of the survivor's intent to continue enrollment.

If the survivor's enrollment ended due to the death of the employee, school employee, or retiree, the PEBB program will reinstate the survivor's enrollment without a gap subject to payment of premium and applicable premium surcharges.

(5) If a survivor elects to enroll a dependent in PEBB health plan coverage, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the survivor.

Exception: If a survivor selects a medicare supplement plan or MA-PD plan, nonmedicare enrollees will be enrolled in the UMP Classic. If a survivor selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

(6) In order to avoid duplication of group medical coverage, a survivor may defer enrollment in PEBB retiree insurance coverage as described in WAC 182-12-200 and 182-12-205.
